

How to Add Family members to your profile

why do I need to add family members to my account?

see the first picture below: we may have different fee's for reunion activities (membership has its privileges) for persons not being a Blue Shark Association member.

this first picture will be seen when registering for a reunion, after adding someone to your account select the "add secondary/family member(s) tab, the added members will be available for selection

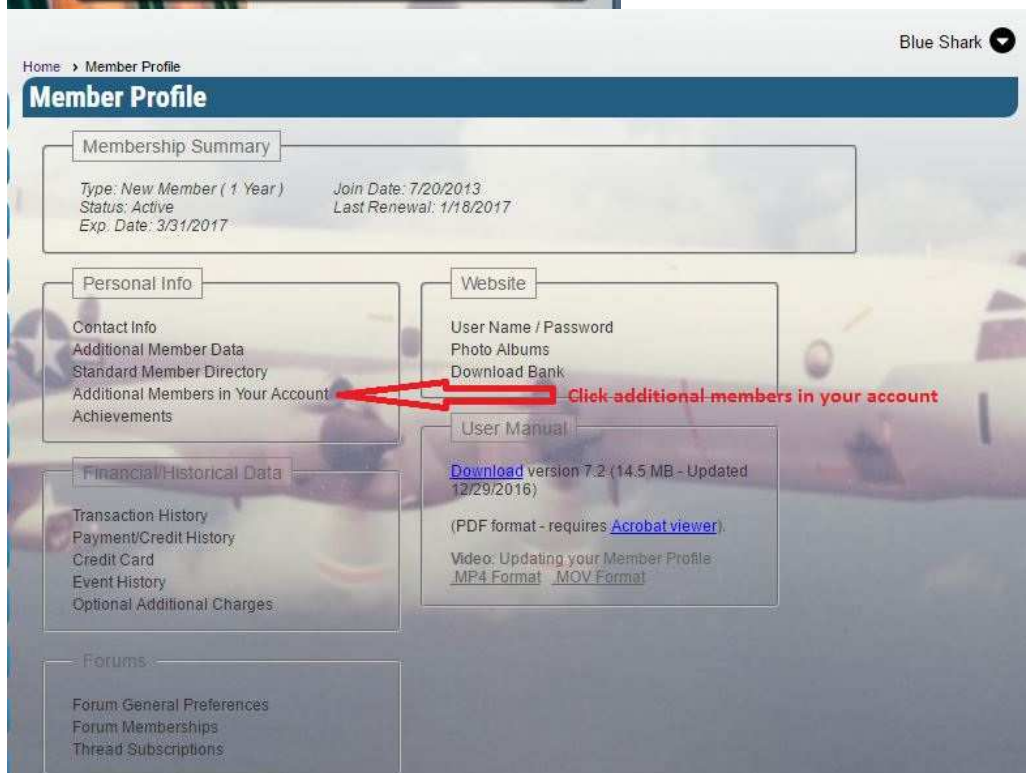

The screenshot shows a web form titled "Add Guest" with a window-like border. It contains two tabs: "Add Guest" and "Add Secondary/Family Member(s)". The "Add Guest" tab is active, showing a form with fields for "First Name" (containing "Sand"), "Last Name" (containing "Shark"), and "Reg. Type" (a dropdown menu currently set to "Non-Member Companion"). Below the form are "Save" and "Cancel" buttons. Red text annotations are overlaid on the right side of the form:

- "If you do not add a family member, you may incur a higher cost by only being able to select a family member as a Non member type."
- "Membership has its privileges"
- "when registering for a reunion use the family member tab to selected an added family member"

A red arrow points from the "Reg. Type" dropdown menu to the first annotation.
